

IMPORTANT NOTE: Please send this email to all your links until you reach the base teams. With this note

Dear friends,

Let's celebrate together, this festive date for the END: February 25, day of the 1st meeting of the 1st Team. 80 years old !!!

We challenge the approximately 13,600 Teams scattered throughout 90 countries around the world to unite this month through the attached Guide, thus experiencing the universality of our Movement, united in Christ.

It's a great opportunity to get back to the basics, get a little into the history of the Teams (well known to some and not known to others), and also get acquainted with the history of our own Team.

We ask that in the end they **send us a photo** of this meeting, to publish on Facebook International:

With love,

ERI
