

QUESTIONS FOR THE TEAM MEETING
8th DECEMBER 2022

After several years of team life (1939-1947) and at the request of certain team members, Father Henri Caffarel felt the need to found the Teams of Our Lady movement by giving it a rule: the Charter.

As a result, the Charter of the Teams of Our Lady was promulgated 75 years ago on 8th December 1947 in the Church of St Augustin in Paris.

The charter of the END contains the purpose of the movement and obligations of the members.

- 1- Have you had the opportunity to read the whole charter or some extracts from it since you became a member of Equipes Notre Dame? If possible, reread together the first 3 pages of the charter ("Why a Team of Our Lady").
- 2- What did you learn from your reading of the Charter to guide your journey in this movement?
- 3- What inspires you from the talk by Father Henri Caffarel entitled "The ideal of the Teams of Our Lady", given in São Paulo in Brazil in 1962.

Does it help to better guide your Christian life and live your membership of the movement?

Each couple and each Spiritual Counsellor will be given time to share on what keeps them in Teams, and what they envisage for the future after reading this talk by Father Caffarel.

The meeting will end with the prayer for the beatification of Father Henri Caffarel.
